LONDON GOLF CLUB

London Golf Club prides itself on being one of the best venues at which to host a golf event. Every need is catered for and no detail is missed.

As the first golf club to become a Joint Venture Partner of The European Tour and part of the European Tour Properties network, you and your guests will receive the finest care and attention both on and off the course. Conveniently located just off the M25 and M20, it's easily accessible from London and only 12 miles from Canary Wharf.

Designed by Jack Nicklaus, The International is pure downland. The course is naturally firmer and the quick undulating fairways force a links-style approach, while short holes over water provide dramatic respite.

Home of the 2018 and 2019 Staysure PGA Seniors Championship and having hosted both the World Match Play Championship and Regional Open Qualifying, this course proves a tough test for the most talented of golfers whilst providing some great opportunities on our risk-reward holes to shoot some great scores. From the moment your guests enter our manned gates and drive the mile to the clubhouse they will know they are heading for a day to remember.

Your guests are greeted at the clubhouse where their golf bag is unloaded and kept ready and waiting for them when it's time to play.

Players can warm up from grass tees with the best Callaway practice balls, on our 330 yard practice ground which includes a practice chipping green and bunkers.

Booking your golf event at London Golf Club is very simple. Select one of our packages or build a bespoke event using many of the options available to you.

Our events team are highly experienced and dedicated to making your day run perfectly so feel free to discuss any requirements with them.
